

Mentoring Program Committee

Role Description

The mentoring program committee is responsible for reviewing applications, selecting and matching mentors and mentees, and hosting two meetings with each cohort of participants. The committee may also be involved in enhancing the program design and developing program materials, as needed.

Eligible individuals are dues-paying members of the STL-ODN who can commit to attending a minimum of 50% of the meetings for their committee(s). Our volunteers will be honored at an annual recognition and networking event in the fall.
