

Program Committee

Role Description

The Program Committee helps plan and execute monthly programs, our primary mechanism for educating and engaging members and prospects, and as such is vital to our member experience. Committee members will be needed to assist with design and connecting with potential contributors.

Eligible individuals are dues-paying members of the STL-ODN who can commit to attending a minimum of 50% of the meetings for their committee(s). Our volunteers will be honored at an annual recognition and networking event in the fall.
